RULES FOR DETERMINING LEVEL OF SERVICE

NEW PATIENTS

Determine the level of service in each of the three categories:

1. History
2. Exam
3. Medical Decision Making

Choose the lowest level in any one category

ESTABLISHED PATIENTS

Determine the level of service in each of the three categories:

1. History
2. Exam
3. Medical Decision Making

Choose the level that appears in two of the three.

If each category has a different level, choose the level in the middle.
